

The New London Historical Society will hold its 66th Annual Meeting on Sunday, August 16, at 4 p.m. in the Phillips Barn.

At that meeting, members will hear the Society's annual report and will vote on new officers and directors. In order to transact business, a quorum of 25 members must be present.

We recognize that some may be reluctant to participate in a meeting in the era of COVID, although we will observe social distancing and require masks.

Accordingly, we will provide ballots outside the Barn, which members can fill out in their cars and hand in if they are not comfortable attending in person.

As is our custom, refreshments will follow the meeting.
